

EMPLOYMENT OPPORTUNITY

Senior Project Geologist

COMPANY PROFILE:

Jagger Hims Limited, founded in 1987, provides professional engineering services in the earth and environmental sciences.

Our Canadian and international services are provided from our head office located in Newmarket, Ontario and our branch offices in St. Catharines, Windsor, Peterborough and Collingwood. Jagger Hims Inc. provides services to the U.S. from Northville, Michigan.

We provide services in waste management, industrial minerals and aggregate resources, water resource management, waste water disposal, environmental property assessments and remediation, environmental management systems, biosolids management, and geo-environmental engineering.

Our success is attributed to the personalized service and commitment to our clients, a team approach to problem solving, and recognition of the needs of our staff both professionally and personally.

ROLE & RESPONSIBILITIES:

The successful candidate will report to the Branch Manager and will be responsible for the following areas:

MARKETING

- Actively market Jagger Hims Limited to prospective clients.
- Prepare and execute presentations to prospective clients outlining Jagger Hims Limited consulting services and benefits.
- Maintain existing relationships with key clients through client based marketing strategies.
- Build upon our existing network of client contacts through various techniques, including developing new leads and cold calls.
- Determine and act on viable business opportunities seeing the opportunity from initial contact through the project phase.

PROJECT MANAGEMENT

- Provide consulting services in geology and related disciplines on projects undertaken by Jagger Hims Limited.
- Project organization and administration, responsibility for the implementation and technical accuracy of projects, and for timely completion of projects within the budgetary requirements.
- Oversee and assist technical staff in the completion of project specific tasks.

ROLE & RESPONSIBILITIES CONTINUED:

- Prepare proposals for new projects.
- Coordinate all necessary budget information, staff resources, health and safety plans, and any other requirements as needed for the proposal.
- Other duties as may be assigned from time to time.

QUALIFICATIONS & EXPERIENCE:

- Require Honours B.Sc. in geology or related discipline, M.Sc. preferred.
- The preferred candidate will be self-motivated, energetic and well organized, with a proven ability to multi-task in a fast-paced environment.
- A minimum of 7 years previous experience in project management and marketing preferably within the consulting industry.
- P.Geo. preferred.
- Exceptional verbal & written skills are required.
- Working knowledge of Microsoft Office products.

SALARY RANGE:

The successful candidate's starting salary will be determined in accordance with the individual's qualifications and experience.

If you are interested in applying for this position, please respond in writing to Brian Jagger at the Newmarket office, via fax at (905) 853-1759 or to bjagger@jaggerhims.com via email.
